

FISCAL NOTE

HB 3269 - SB 3249

March 3, 2004

SUMMARY OF BILL: Authorizes persons with a handgun carry permit to carry a firearm on the premises of an establishment which sells alcoholic beverages for consumption as long as such person is not consuming such alcoholic beverages and the establishment has not posted a sign prohibiting firearms.

ESTIMATED FISCAL IMPACT:

Decrease Local Govt. Expenditures - Not Significant
Decrease Local Govt. Revenues - Not Significant

Impact depends upon the number of persons not convicted of unlawfully carrying a firearm that would have been in the absence of the bill and the resulting decreased cost to local governments not having to confine such persons versus the decreased revenues to local governments from fines not levied or collected.
